The Wisconsin State Electrical Code is issued and administered by the Public Service Commission and the Department of Industry, Labor and Human Relations as part of the Wisconsin Administrative Code. The Public Service Commission has primary responsibility for issuance and administration of Volume 1 which is found in chapter PSC 114. The Department of Industry, Labor and Human Relations has similar responsibility for issuance and administration of Volume 2 which is found in chapter ILHR 16.

Copies of the code may be ordered from the Wisconsin Department of Administration, Document Sales, 202 South Thornton Avenue, Madison, WI 53702; telephone 608/266-3358.

WISCONSIN STATUTES SECTION 101.865 REGULATION OF ELECTRIC WIRING:

(1) It is hereby made the duty of every contractor and other person who does any electric wiring in this state to comply with the Wisconsin state electrical code, and the company furnishing the electric current shall obtain proof of such compliance before furnishing such service; provided, that nothing therein contained shall be construed as prohibiting any municipality from making more stringent regulation than those contained in the above mentioned code. Proof of such compliance shall consist of a certificate furnished by a municipal or other recognized inspection department or officer it shall consist of an affidavit furnished by the contractor or other person doing the wiring, indicating that there has been such compliance.

(2) Any person who shall violate the provisions of this section shall be deemed guilty of a misdemeanor and shall be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars, or by imprisonment in the county jail not less than thirty days nor more than six months.
